# Spread Some Easter Cheer

1

## Print Me

Step number one is to print out the card on the paper of your choice. You can print as many as you want!

2

## Colour Me

Here comes the fun part! Decorate me in any way you want! grab your markers, crayons or glitter glue and make it your own!

3

## Fold Me

You might need some help with this one, so be sure to ask an adult if you need to.

1. First fold is a HOT DOG fold, with the blank sides coming together
2. Second fold is a HAMBURGER fold. making sure that the bunny with the words is facing out. He is the front!

4

## Gift Me

There are lots of people who we won't be able to see this Easter, but that doesn't mean we can't spread a little love! Address your card to your family or friends, or gift it to a senior citizen who might be spending Easter alone.

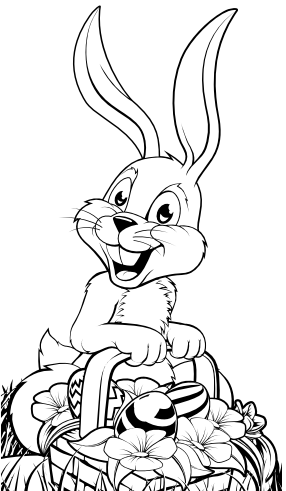

Here are a few places you can mail your card, and it will be very appreciated!
